

EPA Region 6 Air Program Work/Measures

AAPCA Meeting - April 2018

Region 6 Program Work/Measures:

- ▶ SIP Backlog: Continue SIP Backlog Reduction and Minimize Adding to Backlog
- ▶ Ozone Designation Regulatory Actions
- ▶ Number of Non-attainment Areas Brought into Attainment
- ▶ EPA Issued Permits: national focus on issuing permits in 6 months....currently no backlog in R.6. LEAN Kaizen events for Part 71, NSR permitting, and Modeling Clearinghouse Process. EPA Region 6 will focus on PSD Permits for offshore facilities and minor NSR facilities constructing on Tribal lands.
- ▶ Title V petition response work supporting OAQPS; Resolution of claims with States/permittees where claims are granted.
- ▶ Support OAQPS as needed on OAR NSR related permit rulemaking/policy development actions
- ▶ Air monitoring related work (ex. exceptional event reviews)
- ▶ Non-federal dollars leveraged by federal investment
- ▶ Grant management....grant commitments achieved/not achieved
